4. The Commission shared the said information with the appellant vide notice dated 02-09-24 and its receipt is acknowledge by the appellant vide email dated 06-09-24 but with the objection that enclosed documents are random documents and incomplete record. The appellant has also mentioned that where is certified copy of his complaint, notices of Wafaqi mohtasib and whole record /file.
5. The Commission has examined the contents of information request, memo of appeal, written reply and document furnished by the public body and objection raised by the appellant vide

his email dated 06-09-2024. It is noted that in this information request, the appellant has not mentioned the detail of the documents required by him except intimating that complete record/ all enclosures pertaining to his complaint are required. The public body has already provided certified copies of the documents mentioned above which has been shared with the appellant and its receipt has been acknowledged by him. As far as copies of the notices of Wafaqi Mohatasib received by SNGPL is required, author of the said document is office of the Wafaqi Mohtasib and not the public body/SNGPL. The word whole record/ file mentioned in the rejoinder have no detail and the certified copy of the record already available with the public body have already been furnished and shared with the appellant hence no further proceedings are required. The appeal stands disposed of. Copy of the order be sent to both the parties.
